OPEN TO ANALYTICAL & TOXICOLOGY ROLES

ANEES KHATOON

ANALYTICAL CHEMIST & TOXICOLOGIST

Email: aneeskhatoon536@gmail.com **Phone:** +92 303 3268536 **Location:** Pakistan **LinkedIn:** linkedin.com/in/anees-khatoon

Forensic Chemistry and Toxicology graduate from Liaquat University of Medical & Health Sciences (CGPA 3.87/4.00, Silver Medalist, ranked 2nd among 67 students). Hands-on technical expertise in advanced analytical instrumentation (GC-MS, LC-MS/MS, HPLC), molecular biology assays, sample extraction methodologies (QuEChERS, d-SPE, LLE), and toxicological screening under strict quality control standards. Published co-author in functional nanomaterial green synthesis (2026) with practical forensic laboratory internship background.

1. EDUCATION

Bachelor of Science in Forensic Chemistry and Toxicology
Graduated 2025

Liaquat University of Medical & Health Sciences (LUMHS) — Jamshoro, Pakistan

- **Academic Distinction:** Silver Medalist | Secured 2nd Position out of 67 students (CGPA: 3.87 / 4.00).
- **Core Coursework:** Analytical Chemistry, Forensic Toxicology, Instrumental Analysis, Bio-Analysis, Quality Assurance.

2. PUBLICATIONS

PHYTOCHEMICAL-MEDIATED GREEN SYNTHESIS OF TiO2 NANOPARTICLES USING SOLANUM SURATTENSE: CHARACTERIZATION AND ANTIMICROBIAL ACTIVITY

Published in Spectrum of Engineering Sciences (2026)

Authors: Khan, S., Shabeer, U. F., Bibi, I., Khan, M., **Anees Khatoon**, Zamir, A., Farooq, A., & Khan, M.

Co-authored peer-reviewed research on eco-friendly green synthesis of titanium dioxide nanoparticles. Contributed to structural characterization (UV-Vis, XRD, SEM) and bio-analytical evaluation of antimicrobial efficiency.

Green Chemistry | Nanomaterials | UV-Vis | XRD | SEM | Antimicrobial Assays

3. PROFESSIONAL & PRACTICAL EXPERIENCE

Forensic Intern
Sept 2025 – Oct 2025

Chemico-Bacteriological Laboratory — Karachi, Pakistan

- Conducted chemical screening for alcohols, narcotics, and toxic substances in biological and food matrices.
- Executed precision sample extraction, filtration, dilution, and matrix purification protocols.
- Supported official chain-of-custody reception, case documentation, and analytical report generation.

Forensic Toxicology Intern
Nov 2024

Punjab Forensic Science Agency (PFSA) — Lahore, Pakistan

- Processed and analyzed 50+ toxicological biological samples following forensic chain-of-custody protocols.
- Performed advanced sample preparation using QuEChERS, d-SPE, and Liquid-Liquid Extraction (LLE).
- Operated GC-MS, LC-MS, HPLC, and FTIR for screening and confirmatory analysis of poisons and controlled drugs.

Forensic Intern
May 2024 – June 2024

Sindh Police Forensic Division — Karachi, Pakistan

- Assisted in fingerprint examination, questioned document analysis (ink/handwriting), and firearms analysis.
- Observed and supported chemical serial number restoration techniques on metallic evidence surfaces.

Molecular Techniques Trainee
Oct 2023

Department of Molecular Biology & Genetics, LUMHS — Jamshoro, Pakistan

- Completed practical laboratory training on core molecular biology, assay preparation, and sample centrifugation.

4. TECHNICAL SKILL SET

1. ANALYTICAL INSTRUMENTATION

GC-MS, LC-MS/MS, HPLC, FTIR, UV-Vis Spectroscopy, XRD, SEM Analysis.

4. GREEN SYNTHESIS & RESEARCH

Nanomaterial Phyto-Synthesis, Phytochemical Screening, Antimicrobial Assays.

2. TOXICOLOGY & EXTRACTION

QuEChERS, d-SPE, Liquid-Liquid Extraction (LLE), Matrix Purification, Toxicological Screening.

3. LABORATORY & SAFETY

Bio-Analytical Methods, QA/QC, Molecular Techniques, Lab Safety Protocols.

5. SOFTWARE & DATA ANALYSIS

OriginPro, ChemDraw, SPSS, MS Excel/Office, CDS, Spectral Library Matching.

6. SKILLS IN PROGRESS

Python & R Programming for Data Analysis & Scientific Visualization.

5. HONORS & AWARDS

Silver Medal 2025

Liaquat University of Medical and Health Sciences (LUMHS), Jamshoro

Secured 2nd position for achieving highest academic grades in the batch.

1st Position 2024

Liaquat University of Medical and Health Sciences (LUMHS), Jamshoro

Achieved the highest possible CGPA in the department/university.

Token of Appreciation 2022

Liaquat University of Medical and Health Sciences (LUMHS), Jamshoro

Awarded for outstanding academic performance as a top-performing student.

6. CERTIFICATIONS & PROFESSIONAL DEVELOPMENT

Chromatography & Mass Spectrometry (HPLC & GC)
Elevify

Forensic Toxicology & Poison Analysis
Udemy

Molecular Techniques Training
Dept. of Molecular Biology & Genetics, LUMHS

Foundational Forensic Science & Chemistry
Coursera

Google Prompting Essentials Specialization
Google · Coursera

Google AI Essentials
Google · Coursera

Multiomics Research Bootcamp (Batch 24)
4-Week Ultimate Research E-Course

Soft Skills Training (22 Hours)
Recognized by OEC & ICMPD

7. EXTRACURRICULAR & LEADERSHIP ACTIVITIES

- **Student Co-coordinator (Forensic Seminars & Workshops):** Led and co-coordinated LUMHS Forensic Seminars and Simulated Crime Scene Investigation Workshops, managing task delegation and session execution.
- **Student Volunteer (Health Asia International Exhibition):** Coordinated logistics and attendee operations for 100+ national and international participants.
- **Academic Volunteer:** Actively participated in campus health awareness drives and community emergency crisis relief programs.
